## WHAT HAPPENS WHEN I RING THE DESIGNATED HELPLINE NUMBER?

When you make contact through **AAB's** designated telephone service, you will speak with a specialised call handler who will ask you for some information, document your feedback and ask follow-up questions to clarify information. The call handler will then prepare a report of your concern to be sent to your employers senior company representative who will be responsible for determining what course of action is to be taken, such as a formal investigation into the matter.
