JUSTICE RAPID RESPONSE

Justice Rapid Response is the only global facility that provides rapidly deployable experts to investigate international crimes and serious human rights violations and to enable a holistic, gender-sensitive, and inclusive approach to justice.

OUR VISION:

All victims and survivors of international crimes and serious human rights violations have access to justice, contributing to peaceful and inclusive societies.

OUR MISSION:

We partner with international, national and civil society actors by providing them with prompt, impartial and professional expertise, tailored to each context, to investigate international crimes and serious human rights violations and to promote the rights and access to justice of victims and survivors.
